Rev. Fr. William Davis Turner, Rector

MEMORIAL

In memory of the faithful workers who have passed and who by their untiring efforts and good deeds have played their part toward making possible the success in obtaining the Charter.

The Vestry.

GREETINGS FROM THE RECTOR

Congratulations to the Vestry and Congregation of St. Augustine's Church for the history-making step which was made recently when the Mission became an Incorporate Parish.

This realization has been the dream for many years of the priests and members of St. Augustine's. Through and by their pride, devotion, sacrifice and love for their Church over the many years, the Rector and the people of St. Augustine's Church now rejoice in our good fortune and accomplishment.

God has certainly been gracious to us and blessed us and may He continue to bless and inspire us, so that, we may reach higher heights of success for the realization of His Kingdom here on earth.

Congratulations to the Charter and Program Committees for their excellent work, and to all those who have made this celebration a success, either by their work or their patronage.

Let us remember those now absent from us in the service of our country and pray and hope that they may return soon to enjoy the good things that St. Augustine's Parish has to offer them.

Faithfully yours,

WILLIAM D. TURNER, *Rector.*

History

SAINT AUGUSTINE'S P. E. CHURCH

Time: Autumn, Year 1903. An unattached mission Sunday School meeting, Sunday afternoons, in a hall on Broad Street above Diamond, was brought to the attention of Bishop Mackay-Smith by Mr. Nathan Nutter. After Rev. Henry L. Phillips, now Archdeacon, visited the school and made a favorable report, the Bishop authorized the adoption of the work as a mission of the Episcopal Church.

Rev. Norman V. Levis, Rector of the Church of Incarnation, instructed the first class of five candidates which was confirmed in Church of Incarnation in the spring of 1904.

June 1904, Bishop Mackay-Smith sent Rev. A. A. St. Claire Moore to be first Priest in Charge at St. Augustine's Mission. A class of twelve candidates, which Rev. Levis had started to instruct, was prepared by Rev. Moore and confirmed by Bishop Mackay-Smith in April 1905. Later this same year Rev. Moore was sent to Germantown and his successor Rev. Henry S. MacDuffy became Priest in Charge in January 1906.

Under the leadership of Rev. Henry S. MacDuffy the membership increased to an extent which encouraged the Committee of Supervisors to seek larger and better housing for St. Augustine's Mission. By the generosity of a charitable layman, a site on Thompson Street west of 16th was purchased. A modern Parish House was built on the rear of the site, leaving space for future church building to face Thompson Street. November 11, 1909 the cornerstone was laid. March 27, 1910 the opening service of the new Parish House was held. For three years the services were held in the Parish House on Thompson Street. The membership increased steadily and plans were being formulated to build the much-needed church building.

Rev. Henry S. MacDuffy had the hearty cooperation of a most sympathetic Supervising Committee of the North Philadelphia Convocation and when the Church of the Beloved Disciple was disbanded, St. Augustine's was placed in possession of the buildings at 2026 W. Columbia Avenue. Our first service was held in the present church building in 1913, and after the mortgage of \$10,000 was satisfied the building was consecrated by Bishop Rhinelander on May 20, 1923.

In 1925 Rev. Joseph H. Hudson came as assistant to Rev. Henry MacDuffy. Three years later, March 1928, Fr. MacDuffy resigned after twenty-two years' service as Priest in Charge. Rev. Joseph H. Hudson, his successor, served faithfully as Priest in Charge, until his death September 26, 1937. Rev. James Deaver acted as Priest in Charge until the Vestry called Rev. Tollie L. Caution, in September 1938.

Father Caution having found a work well organized, realized that St. Augustine's Mission possessed all the potentialities necessary to Parishhood, set about to lead in that direction. After making several necessary renovations to the buildings and presenting three large and several smaller classes for Confirmation, a Charter Committee was formed and application was made for a Charter. At the May 1943 Convention of the Diocese of Pennsylvania St. Augustine's Mission was received into fellowship as a Parish. After four and a half years of faithful service Father Caution resigned in June 1943. In the fall the Rev. William D. Turner was called and was instituted as Rector on December 12, 1943.

We are indebted to Mr. Charles Simpson, the oldest member (not in years but in length of attendance) of St. Augustine's for this brief history of our Church.

The Willing Workers was organized by the late Rev. Father Joseph Hoyle Hudson, April 7, 1931, in the choir room of this Church. The Willing Workers have pledged to continue their work for the Church in memory of its organizer, until link by link they fall away.

Mrs. Oliva Mitchell was our first president until she resigned September 1942. Then Mrs. Arrabel Cowell until June 1944; Secretary, Mrs. Henrietta Jones until April 1941; Treasurer, Mrs. Francis Martindale from the beginning up until present time,

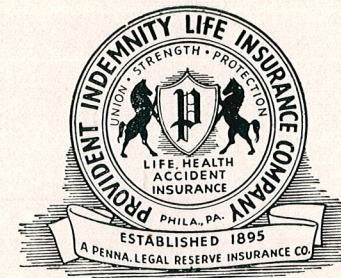

Father Joseph Hoyle Hudson
